## Acces: Facile

Monosuit Exit près de l'antenne: Blue Crack (Fisura Albastra), Bucegi Mountains). Coordonnées GPS: 45.426822, 25.495412.

Flyable altitude of just 1040 m if heading for the top of the Kalinderu ski track (recommended landing if strong thermals are present). 8 seconds rock drop, mostly a wingsuit jump, possible to be done in one piece hybrid track suit. Jump requires a strong glide or pitch much higher to reach the landing. Not recommended for regular one piece track suits. Know your flight numbers!
